*s h a d o w f a* **X**

Shadowfax's wines have a strong focus on regionality with the majority of its fruit produced from its vineyards in Werribee and the Macedon Ranges "Little Hampton" vineyard, along with other small growers in Heathcote, Macedon and Geelong. Each and every vineyard has its own distinct characteristics and produces grapes of only the highest quality. For further understanding of the wines please jump up to our cellar door for a tasting.
